2007

0882S.14T

AN ACT

To repeal section 21.750, RSMo, and to enact in lieu thereof two new sections relating to hunting heritage protection.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 21.750, RSMo, is repealed and two new sections
2 enacted in lieu thereof, to be known as sections 21.750 and 252.243, to read as
3 follows:

21.750. 1. The general assembly hereby occupies and preempts the entire
2 field of legislation touching in any way firearms, components, ammunition and
3 supplies to the complete exclusion of any order, ordinance or regulation by any
4 political subdivision of this state. Any existing or future orders, ordinances or
5 regulations in this field are hereby and shall be null and void except as provided
6 in subsection 3 of this section.

2. No county, city, town, village, municipality, or other political
8 subdivision of this state shall adopt any order, ordinance or regulation concerning
9 in any way the sale, purchase, purchase delay, transfer, ownership, use, keeping,
10 possession, bearing, transportation, licensing, permit, registration, taxation other
11 than sales and compensating use taxes or other controls on firearms, components,
12 ammunition, and supplies except as provided in subsection 3 of this section.

3. Nothing contained in this section shall prohibit any ordinance of any
14 political subdivision which conforms exactly with any of the provisions of sections
15 571.010 to 571.070, RSMo, with appropriate penalty provisions, or which
16 regulates the open carrying of firearms readily capable of lethal use or the
17 discharge of firearms within a jurisdiction, **provided such ordinance**
18 **complies with the provisions of section 252.243, RSMo.**

4. The lawful design, marketing, manufacture, distribution, or sale of
20 firearms or ammunition to the public is not an abnormally dangerous activity and

21 does not constitute a public or private nuisance.

22 5. No county, city, town, village or any other political subdivision nor the
23 state shall bring suit or have any right to recover against any firearms or
24 ammunition manufacturer, trade association or dealer for damages, abatement
25 or injunctive relief resulting from or relating to the lawful design, manufacture,
26 marketing, distribution, or sale of firearms or ammunition to the public. This
27 subsection shall apply to any suit pending as of October 12, 2003, as well as any
28 suit which may be brought in the future. Provided, however, that nothing in this
29 section shall restrict the rights of individual citizens to recover for injury or death
30 caused by the negligent or defective design or manufacture of firearms or
31 ammunition.

32 6. Nothing in this section shall prevent the state, a county, city, town,
33 village or any other political subdivision from bringing an action against a
34 firearms or ammunition manufacturer or dealer for breach of contract or warranty
35 as to firearms or ammunition purchased by the state or such political subdivision.

252.243. 1. This section shall be known as and may be cited as
2 **the "Hunting Heritage Protection Areas Act". Hunting heritage**

4 **year flood plain of the Missouri River and all land located within the**
5 **one hundred-year flood plain of the Mississippi River, as designated by**
6 **the Federal Emergency Management Agency as amended from time to**

8 **2. In addition to the provisions of section 99.847, RSMo, no new**
9 **tax increment financing project shall be authorized in any hunting**

11 **not apply to tax increment financing projects or districts approved:**

13 **amendment, or expansion of such projects including redevelopment**
14 **project costs by not more than forty percent of such project's original**
15 **projected cost and the tax increment finance district by not more than**
16 **five percent of the district as it existed as of August 28, 2007;**

17 **(2) For the purpose of flood or drainage protection and for any**
18 **public infrastructure included therewith; or**

19 **(3) For the purpose of constructing or operating a renewable fuel**
20 **facility as defined in section 348.430, RSMo, or for the purpose of**

23 **residential, commercial, or industrial development not directly**
24 **associated with the production of renewable fuel shall occur within a**

25 hunting heritage protection area, either directly or indirectly, as a
26 result of such tax increment financing project.

27 3. The discharge of firearms for lawful hunting, sporting, target
28 shooting, and all other lawful purposes shall not be prohibited in
29 hunting heritage protection areas, subject to all applicable state and
30 federal laws, and local ordinances prohibiting hunting or the discharge
